ABYC SAFETY STANDARDS

Effective September 1, 1996, the American Boat and Yacht Council (ABYC) recommends that new seating standards go into effect. These standards help classify pedestal applications into separate categories.

CLASS A

Seat designed for occupancy while the boat is under way at any speed.

CLASS B

Seat designed for occupancy only at boat speeds not exceeding five miles per hour.

Within each of these classifications all pedestals must pass a series of tests (horizontal and vertical impacts, torque and static load tests). There are also two types of Class A seats.

CLASS A PASSENGER

Seat mount must resist 30 foot pounds of torque.

CLASS A DRIVER

Seat mount must incorporate a "mechanical interference lock" and resist 150 foot pounds of torque.

In an effort to help you understand how our product complies with the new regulations, we have assigned the following labels to identify them:

Please look for these labels throughout the catalog.

ISO 9001:2000
C2000-00166

IMPORTANT

None of the products in this catalog are designed for commercial use.

NEW FOR 2016

TORSA SYSTEM

ERGONOMIC DESIGN

- Rear Lumbar Supports Natural Curve of Back
- Contoured Seat with Rolled Radius Edge Reduces Pressure Points

SUPERIOR STRENGTH

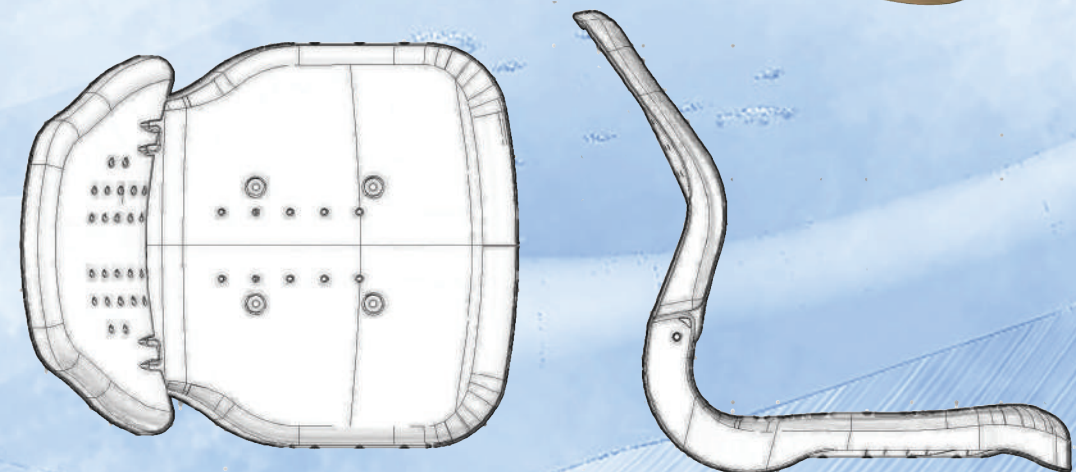

- High Impact Advanced Polymers Combined with UV Inhibitors Provide Long Lasting, Worry-Free Substrate
- Integrated Back Support Beam Transfers Loads to Seat Structures
- Meets ABYC H-31 Durability Requirements

INTEGRATED CUSHIONING

- Multiple Foam Packs Allow for Configurable Upholstery
- Carefully Designed Foam Enhances the Ergonomic Contours Built into Every Torsa

MOISTURE MITIGATION

- Every Torsa Frame Utilizes a Channeled and Perforated Surface to Move Moisture Away Keeping the Occupant and Upholstery Dry

3150

TORSA SPORT

Height: 22" Width: 18" Depth: 18.75"
Seat Depth: 15.5"

Scout Camouflage Pontoon Series - New for 2016

Wise Scout Series Pontoon Furniture is the ticket to convert your pontoon into a duck hunting paradise. High compression foam padding is covered in super premium 34 oz. marine camouflage vinyl that shows no shine and no sheen, even when wet. Rotational molding plastic bases, along with marine grade seat frames will take on the toughest of weather conditions. Plenty of storage in the seat bases to store decoys and blind materials. Available in Mossy Oak Shadow Grass.

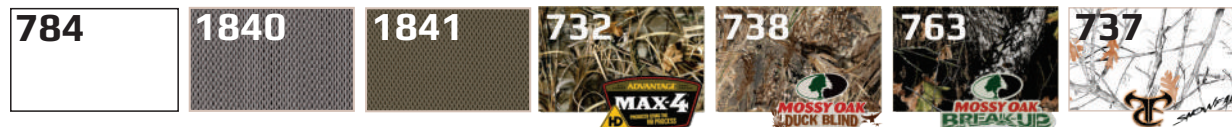

- **5 Year Warranty on Frame**
- **3 Year Warranty on Upholstery**

Talon Series - New for 2016

Our new Wise Talon Series Pontoon furniture gives your boat the look that will turn heads. Special carbon fiber textured vinyl accent trim coupled with soft-touch 28 oz. marine-grade vinyl base are infused with UV and mildew inhibitors. High density, rotational molded bases are constructed with a specially engineered 45° surface at the bottom to mount LED light strips for the ultimate in recessed lighting. Special contoured, high compression foam padding provides all day comfort. Bench cushions are hinged to provide storage in the seat base. 4 stylish color combinations will look great on any boat.

3020-1801

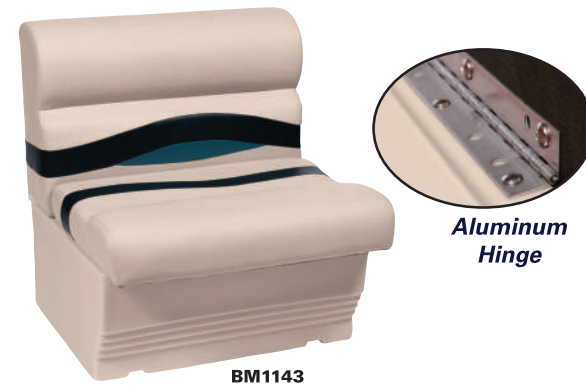

Premier Pontoon 1100 Series

Wise Premier Series Pontoon Furniture is where luxury meets value: true OEM grade quality and standards. Features high-density, plastic rotational molded bases and marine-grade seat and back frames that will withstand hard use, year after year. High-compression, OEM grade, American foam padding provides just the right amount of firmness and suppleness. Each cushion is covered in 28 oz. soft-touch, marine-grade vinyl featuring UV and mildew inhibitors. Bench cushions are hinged to provide extra storage in the seat base. The Premier Series is available in 6 contemporary color collections that look outstanding on newer and older boats.

VINYL CARE | Your New Seat Requires Routine Care

The upholstery on your seats is made to withstand the effects of sun, heat, rain and soiling under normal conditions. While your vinyl is made to withstand the elements, it is important to care for it by keeping it clean at all times. Many substances may stain your vinyl if left over a period of time. Remember to remove any contaminant and clean vinyl immediately.

Keep your seats in like-new condition with quality mooring and/or seat covers. They'll keep your furniture dry, protect against UV sunlight degradation, leaf stains, pollen stains and dramatically reduce your cleaning time. Remember that winter storage in snow and ice areas requires additional protection. Also note: typical plastic tarps don't provide for ventilation and may promote mold, mildew or pink staining of your seats. This potential damage is NOT COVERED UNDER YOUR WARRANTY.

IMPORTANT: Harsh detergents, abrasives, bleach and solvents can cause permanent damage to vinyl upholstery. Protect your vinyl from being ripped or torn, mildew or a condition known as pinking or yellowing can occur in any vinyl openings, and this type of damage is NOT COVERED BY YOUR WARRANTY.

Step-by-Step Cleaning Instructions

Type of Stain	Steps:	1	2	3
General Care Dirt Build-up / Household Soil		A	B	
Chewing Gum		D	A	
Coffee, Tea / Chocolate / Motor Oil / Spray Paint		B		
Grease / Oil-based Paint / Tar or Asphalt		D	B	
Ketchup / Lipstick / Suntan Lotion / Latex Paint		A	B	
Mildew or Wet Leaves*		C	B	A
Yellow Mustard		A	B	C

Legend

- A. Medium-soft brush, warm soapy water. Rinse/Dry.
- B. 303 Fabric/Vinyl Cleanser (Can be purchased from local Marine Dealer/Internet.)
- C. One (1) tablespoon of ammonia; one-fourth (1/4) cup of water. Rinse/Dry.
- D. Wipe or Scrape off excess (chill gum with ice before hand.)

All cleaning methods must be followed by a thorough rinse with clean warm water.

Do's

303 Fabric/Vinyl Cleaner
Dish Soap (Dawn or Ivory)

Certain household cleaners, powdered abrasives, steel wool and industrial cleaners can cause damage and discoloration and are not recommended. Dry cleaning fluids and lacquer solvents should not be used as they will remove printed patterns and gloss. Waxes should be used with caution as many contain dyes or solvents that can permanently damage the protective coating.

Don't's

Do not use Kerosene, gasoline or acetone. They will remove the protective marine top coat. Do not use any silicone-based protectants. They will extract the plasticizer leaving vinyl hard and brittle, and eventually cracking will occur.

*** FAILURE TO CARE FOR YOUR VINYL PROPERLY, OR USE OF IMPROPER CLEANERS MAY VOID YOUR WARRANTY AND DAMAGE YOUR VINYL UPHOLSTERY.**

UNLIMITED WARRANTY 12 MONTH

The Wise Company, Inc. warrants that each new seat and all accessories and equipment (except upholstery material) supplied by the Wise Company is free from defects (to be determined by exclusively by the Wise Company) in material or workmanship to the **original purchaser**:

Vinyl Boat Seat Upholstery: **3 years**

Camouflage Cordura Fabric Boat Seat Upholstery: **1 year**

Boat Seat Frames: **5 years**

All Hardware Items: **3 years**

The Wise Company, Inc. will replace from its factory, or at its option, repair any parts which, in the opinion of the manufacturer, have failed or worn as stated previously.

This warranty shall be considered void if, in the opinion of the Wise Company, one or more of the following conditions are present:

- The seat or any accessory/equipment has been altered, modified, changed or reworked in a manner not previously authorized by the Wise Company.
- The seat has been subjected to abuse, neglect or accident.
- The seat is installed in a manner that would subject the seat to abnormal use.
- Damage to covers caused by cuts, burns, or abuse.

The Wise Company, Inc. makes no other express warranty and offers no remedy except herein described. The Wise Company disclaims any liabilities for incidental or consequential damages resulting from breach of any express or implied warranty with respect to the Wise Company seating product covered by this warranty. All other warranties express, implied or statutory including implied warranties of fitness for a particular purpose are limited to the period of this warranty.

Some states do not allow the exclusion or limitation of incidental or consequential damages. So the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights and you may also have other rights, which vary from state to state.

Failure to give prompt, written notice within thirty (30) days of the discover of any defect in material or workmanship which occurs within the warranty period will void this warranty.

Wise products are designed for recreational use only, all warranties void if used for commercial purposes.
